Come Try the Snack Attack!

For Students – By Students!

The Cañada College **Business and Entrepreneurship Club** is launching **Snack Attack**, a snack and beverage cart you can find on campus on certain days and times as well as during special events.

We will launch this business on **Valentine's Day, Tuesday, February 14th from 10am - 4pm**. Come find us in front of **building 9**. Our special for this day will be **pizza**. We will continue serving throughout the semester. Just look for our ads and announcements on campus.

Each time we are open for business, we will serve specials including food from your favorite vendors, holiday specials, and much more.

All proceeds will go toward club activities.
